

Christmas in the Woods

November 28, 2015

at Ponca State Park

9:30 am Ice Creations — Think like a scientist and conduct ice experiments! Water and ice have many unique properties that make life possible. **Meet at the Resource & Education Center. Free.**

11:30 am Winter Critters of Nebraska — Have you ever wondered how critters stay warm in the winter or where they find food? Join us for Winter Critters of Nebraska where participants will be able to see, touch, and sometimes smell live critters, furs, feathers, shells, skulls, etc. **Meet at the Resource & Education Center. Free.**

1 pm – 2pm Cookie Decorating — Create warm memories in the cold of winter by decorating holiday cookies that will look as good as they taste. All ages. **Meet at the Resource and Education Center. Free.**

1pm — 2 pm Family Portraits — Bring the whole family out for the perfect family Christmas photo. Our photographer will email family photos taken. **Meet at the Resource and Education Center. Free.**

3pm Wings of Winter — Discover Birds that spend the winter in Ponca State Park. All ages. **Meet at the Resource and Education Center. Free.**

5pm Lighted Hayrack Rides — Enjoy the frosty chill of a winter evening on a hayrack that will travel from the Resource and Education Center to the Tri-State Overlook and back. **Meet at the Resource and Education Center. Free**

If we have snowy conditions over the weekend, ask the front desk of the Resource and Education Center about our Snowman Contest and other winter outdoor activities.

All program subject to change due to staffing/weather. For questions please call at 402-755-2284
